**Laband Art Gallery Spring Exhibition:**  
*Confess: An Installation by Trina McKillen*

Family Weekend Schedule: Open Fri, Sat and Sun: 11am to 4pm

The Laband Art Gallery proudly presents a multi-part art installation by Los Angeles-based artist Trina McKillen. Like many people around the world, McKillen has been grappling for years with the global crisis of sexual abuse committed by Catholic priests. Over the last decade, the artist has channeled her feelings of outrage and grief into the creation of artwork that gives voice and visibility to the survivors of abuse, namely children. Understanding the devastation this abuse has wreaked on individuals and families, and upset that the current international debate has lost sight of the child victims of these crimes, the goal of McKillen’s solo exhibition entitled “Confess,” is to give voice and visibility to children and refocus attention on a dialogue about their healing.
McKillen is a native of Belfast, Northern Ireland, and relocated to Dublin, Ireland, as a child when her Irish Catholic family was targeted and threatened during the intense regional conflicts known as the “Troubles.” Her artwork is inspired by both her Catholic faith and cultural background and incorporates many symbols and icons from the Catholic Church. One of her stunning installations is comprised of an intricately detailed, to-scale confession box made entirely of clear glass. This piece is called “Bless Me Child For I Have Sinned (2010-18)” and as the title suggests, reverses the role between priest and penitent.
